◀ professional experience

Sarah Bush Lincoln Health Center – Wellness Department Internship

Charleston, Illinois (August – December 2014)

- Assigned to promote and preform health screenings such as lipid profiles, pulmonary functions screens, body composition screens, blood pressure, blood sugar and fitness assessments
- Primary mission of Sarah Bush Lincoln Health System is to provide medical care and improve the health status of all people in East Central Illinois – plan to convey this mission as strongly as possible

Red Cross – CPR / AD Certified Instructor

Charleston, Illinois (May 2014 – Current)

- Currently managing training programs that provide lifesaving skills through discussion, video and hands-on training based on real-life rescue scenarios
- Instruction meets updated and accepted guidelines established by national emergency response organizations, including the latest ECC Guidelines

D.J. Drake – Founder

Charleston, Illinois (2012 – Current)

- Started successful music business specializing in highly attended events
- Work directly with Eastern Illinois University Administration, sororities and fraternities, local restaurants and bars as well as high school homecomings and proms.
- In-depth knowledge of technical aspects of sound production
- Self-managing, self-motivated, positive, enthusiastic with can-do attitude

Drake Custom Homes

Charleston, Illinois (1998 – Current)

- Catered to high-end homebuyers who appreciate craftsmanship, quality and unique design
- Utilized the most up-to-date advancement in design technology and equipment
- Majority of personal focus went towards concrete and framing crews, with additional experience in pool construction
